

Kerrville 15th Annual Kids Photo Kontest

The 15th annual photo contest for children age fourteen and under will once again be sponsored by Eastman Kodak at the Texas PPA Summer Seminar in Kerrville. **Please pay close attention to this year's rules.**

All photos for entry shall be created while in Kerrville with the single-use cameras that Kodak is providing. All entries must be 4x6 glossy machine prints. Each child may submit up to three (3) photos and they can be entered into different categories or all may be entered into the same. Mounting, custom cropping, and matting are NOT permitted. Each child who plans to participate must register at the Children's Contest table in the lobby of the hotel. The first **50** registrants will receive a FREE Kodak camera.

It will be **your responsibility to have the film processed and the images turned in by 12:00 Noon on Tuesday**. This deadline is necessary due to the number of prints that have to be judged and photographed for the awards program that evening. The photos shall be submitted in the envelope provided at registration with the child's name and age, and parents name listed on the front. All photographs must be titled on the reverse side along with the child's name, age and the category of the photograph (**PEOPLE, PLACES, or THINGS**).

Each child will receive a participation certificate as well as a distinguished print ribbon for the best print in their own collection. Each distinguished print will be displayed in the "Kids Showcase."
